Subject: Miami University (OH) Request

Dear Mr. Secretary,

We'd like to invite you to speak to the summer edition of the Miami University (OH) Inside Washington program.

Twice a year, Miami taps a group of 10-15 students to study in Washington and intern for the semester. Many Miami students have gone on to work here in Washington and on Capitol Hill, including several as chiefs of staff, communications directors and lobbyists.

The window of time we're looking at is between May 22 and June 9.

In order to facilitate a frank conversation on the issues, the format is off the record and is not documented in any way, including media like Twitter and Facebook. No prepared remarks are necessary. The students are expected to carry the conversation for 30 minutes to an hour with their own questions.

Previous speakers include Sen. Ted Cruz (R-TX), House Minority Leader Nancy Pelosi (D-CA), Supreme Court Justice Sonia Sotomayor, NBC's Chuck Todd and many others.

We can come to your office or we have a classroom space on Connecticut Avenue close to the Woodley Park Metro.

Thank you for your consideration.

Chad
Director, Miami University (OH) Inside Washington Program
